GREAT IMAGE
BOOK SCANNING

SCANNER MODEL	FB6080E
Speed at B&W, 200dpi, A3 size	6.7 seconds
Optical Resolution	600 dpi

SUPERIOR DESIGN AND TECHNOLOGY

The Avision FB6080E is the administrator's perfect choice for A3-sized book scanning solution. With the innovative and patented front platform, the Avision FB6080E allows you to easily scan the entire contents of a book, without generating dark, shadowy area between the adjacent pages.

With the unique front platform, you can place your book easily on the scanner without worrying if the book will be damaged and if the scanned image will be distorted.

In addition, with the help of the exclusive bundled software application, the Avision's Button Manager, high-volume document can be scanned continuously with only a simple click of your mouse.

The Avision FB6080E is also the ideal choice for business professionals who frequently need to scan large-sized documents. These professionals include mechanical engineers or art designers who need to scan engineering or art drawings. Its core image processing components are CCD based, giving the images generated by the FB6080E picture-perfect quality while meeting the most stringent demands of business professionals anywhere.

DUAL DRIVER

You can use the same driver for an Avision flatbed scanner and an Avision sheetfed scanner such as AV220G, AV220C2+, AV220D2+ and AV320D2+, when they are both attached to your computer. By sharing the same TWAIN driver, you can use these two scanners as a complete document scanner.

SCANNER FEATURES

— *The slightly slanted front platform makes book scan as easy as a breeze*

— *Brightness and contrast controls to customize color output for specific applications*

— *Professional bundled software includes AVScan 4.3, PaperPort 11, Button Manager*

— *Hi-speed USB 2.0 interface (USB 1.1 compatible)*

— *Includes TWAIN and ISIS Drivers*

— *One button functionality allows you to assign up to 9 scanning applications and perform at a touch of a button*

FEATURED SOFTWARE

AVScan is an image capture software that provides diversified functions and features to let you control over the whole scanning procedure. AVScan enables scanners to output both B&W and Color images in one single pass scanning. Besides, AVScan allows you to preset different scanning modes and provides various features for different document types.

Button Manager helps you to configure scanning profiles of the One-Touch button. It enables you to complete complex scanning tasks in just one button click. By the preset scanning profile, scanners automatically scan and convert your documents to highly compressed file format, Adobe searchable PDF or other image formats and then send the file to email, printer or folder.

PaperPort 11 is the perfect solution for your home or small office, which provides the easiest way to turn piles of paper and photos into organized files that you can quickly find, use and share. PaperPort 11 makes it simple to connect your scanner and computer together to work with PDF and JPEG images just like working with paper documents right on your desktop.

VitalScan is a workgroup-level e-Filing Solution which converts and indexes your paper documents into electronic copies for easy archival and fast retrieval. Apart from powerful scanning functions & features, VitalScan provides advanced search functions and comprehensive security control such as document encryption and access control settings to protect your confidential documents. *(purchase separately)*

SPECIFICATIONS

Throughput Speed	FB6080E
- B&W, 200 dpi, A3 size	6.7 seconds (Include Backhome)
Scanner Type	A3 Book Scanner
Technology	Color Charged-Coupled Device (CCD)
- Grayscale Mode	Capture bit depth: 16 bits, Output bit depth: 8 bits
- Color Mode	Capture bit depth: 48 bits, Output bit depth: 24 bits
Light Source	CCFL
Optical Resolution	600 dpi
Output Resolution	75, 100, 150, 200, 300, 400 and 600 dpi
Memory Size	64MB SDRAM
Recommended Daily Volume	Up to 2,500 pages per day
Maximum Document Size	297 mm x 432 mm (11.7 in. x 17 in.)
Connectivity	USB 2.0 (cable included)
Interface Support	TWAIN Driver and ISIS Driver
File Format Outputs	PDF, Multi-page TIFF, JPEG, GIF and BMP
Warranty	One-year warranty
Electrical Requirements	Input: 100-240 VAC, 50/60Hz Output: 24V, 2.0A
Power Consumption	<38.4W
PC Configuration	Intel Pentium 4, 256MB RAM, CD-ROM Drive, USB Port
Supported O.S.	Windows 2000, Windows XP, Windows Vista
Bundled Software	TWAIN Driver, ISIS Driver, AVScan 4.3, PaperPort 11, Button Manager

Weight: 7.6 kg

135 mm

645 mm

428 mm
